

Aurora Profiles Ltd is a major supplier of profiled steel plate to the construction sector in the north of England.

Top management recognise our responsibility to provide quality products and services to our customers.

Our commitment is to:

- Maintain and continually improve our Business Management System that complies with the requirements of BS EN ISO 9001:2015 and BS EN 1090-1:2009 + A1:2011. This will include the setting of annual Quality Management System objectives
- Provide products and services that comply with applicable legislation, regulations and industry codes of practice and implement good practice wherever possible
- Provide high quality products and services that meet and where possible exceed customer expectation
- Invest in our employees to ensure excellence in service delivery
- Monitor and continually improve our quality performance

Signed:

Russell Mercer
